Personal Profile

Friendly and hard-working graduate with recent voluntary experience in a busy café and garden setting through the Hextol Foundation. I take pride in delivering great customer service, being a reliable team member, and maintaining high standards. My studies in Music and Technology helped me build transferable skills such as time management, attention to detail, and staying calm under pressure. I am now looking to begin my career in a media based, pre-production role revolving around strategic planning.

Key Skills

- Customer service
- Communication and teamwork
- Attention to detail
- Reliability and timekeeping
- Positive and helpful attitude
- Willingness to learn
- Ability to organise workload and meet deadlines
- Basic cleaning and food hygiene awareness

Work Experience

Trainee, Crew Gal, North Shields

September 2025 – December 2025

- Created a professional music video for a local band as Production Co-ordinator and Assistant Project Manager, honing my media skills.
- Was a key player in group communications, through shared documentation and social media. Honed the ideas of fifteen trainees into a single video concept and maintained the central vision.

Volunteer, Hextol Foundation, Hexham

May 2025 – Present

- Served customers and took food and drink orders in a friendly café setting
- Maintained a clean, welcoming and well-organised environment for guests
- Supported the kitchen team by clearing tables, washing up, and restocking items
- Worked for clients to maintain their gardens, helping with planting, tidying, and general maintenance

- Followed instructions carefully and worked well both independently and as part of a team
- Developed confidence in dealing with members of the public and working in a structured routine

Other Experience

- Active member of several choirs, developing strong teamwork, communication, and timekeeping skills
- Confident in solo performances, building self-assurance, reliability, and presentation skills
- Achieved high grades in practical music exams across multiple instruments, showing focus, perseverance, and attention to detail
- University projects and rehearsals taught me to meet tight deadlines and stay organised

Education

Bachelor of Arts: Music & Technology (2:2)

University of Liverpool

- Dissertation on the use of recurring themes in video game music over multiple franchises
- Coursework in a multitude of types of music composition, mostly based around audio-visual mediums such as film and TV, creating both traditional music and foley

A-Levels

Prudhoe High School

- English Language – A
- Music – A
- Creative Digital Media (BTEC) – Distinction
- Extended Project Qualification – A

GCSEs

Queen Elizabeth High School, Hexham

- Nine GCSEs Graded 6-7 including Maths and English
